Of The
Hill, Dean, Pinckney, Austin, Barker,

Finch Families

by

Franklin Couch

I found this document on the web and have discussed it with a descendant of the Eastchester Pinckney line living here in the UK. The documents is accurate except for the initial statement that Philip Pinckney was descended from the Pinckney family from Norfolk.

It is well documented that Philip was descended from the Pinckney family in Wiltshire.

Refer to the Eastchester line page for a more detailed discussion and a transcription of the first page of this document.
